

Quarter 3 Newsletter from.....

WVHS PTA

Dear Warrior Families,

Hopefully this newsletter finds you thawed out from a cold winter. I know we are all waiting for warmer weather this coming spring!

Second semester is underway, and we are taking advantage of the instructional time heading into the spring break vacation. Instructionally, we are focusing on a few areas this second semester within our Professional Learning Communities. These areas include formative assessments of students as they enter and leave class, emphasis on statements of learning, and deeper dialog of team SMART goals amongst the Learning Communities. We hope this focus will allow for deeper instruction, and greater learning for all students.

The spring athletic season is getting underway after a successful finish to our winter sports. We celebrated two conference championships this winter, and are hoping for an extension deep into the IHSA state series for several of our winter programs. Along with athletics, our activities have been busy in competition with Speech beginning their state series, and show choir performances just to name a few.

Student Council will be hosting their winter dance on February 22nd, and we encourage all students to participate in this event. This year we will be experimenting with selling tickets online. Along with this our building will be preparing to set sail the Senior Class with "Senior Sailabration" on March 22nd. Please contact our office if you would like to assist with this event.

Lastly, I encourage all of our parents to consider taking part in this year's 24th annual silent auction entitled "March Madness". The auction is scheduled for March 7th at White Eagle Country Club. The PTA has been generous in their support of teaching grants, senior scholarships, and LMC and option area renovations. All proceeds from our silent auction will go directly to our PTA. This is a great evening for our whole school community to come together. I wish everyone an enjoyable spring break, and hope to see you all outside at our spring events as the weather warms up. As always, it is a pleasure to serve as your principal.

Go Warriors!
